To Whom it May Concern:
Reference: Docket #06-181

Please consider this a formal petition for exemption of the Closed Captioning rules as set by the FCC, for Union Chapel's weekly hour religious program. Along with other exempt organizations, this is a locally produced, non-news program with no repeat value. Closed Captioning would also cause an undue burden to us because the cost of closed captioning would exceed the cost of producing the program, as evidenced on invoices for first quarter of 2009, showing the rate paid to air this program on WAMY. If required to close caption this program, the program would have to cease production. This is a weekly church service and does not solicit donations from its audience. The program is paid out of offerings received at the church services and there is no operating budget to purchase captioning equipment or labor expenses associated with Closed Captioning.

Thank you for your consideration.
